## TEL AVIV FOOD

BY: DEBRAH MARCUS

PUBLISHED BY: DEBRAH MARCUS

In her introduction to Tel Aviv Food, Debrah Marcus, herself a resident of the ‘city that never sleeps,’ admits that the recipes do not aspire to be ‘haute cuisine’, but are

rather the type of tasty dishes that are regularly made by busy Tel Avivians. Combining interesting vignettes about her home city at the beginning of each section, Marcus sets out wonderful recipes from soups to desserts. As a very reluctant cook, I can say without reservation there is no recipe in this book I wouldn’t be interested in, or capable of, delivering.
